

Level One Verb List

Here is a list of **100 verbs**. They are verbs that we often use. Look at the list. Some of these you know and some of them are new for you. Look at each verb. If you know a verb tick (✓) it. If the verb is new for you, look it up in your English - Arabic dictionary and write the meaning next to the verb. You need to know the meaning and spelling of all these verbs.
