

# BOOK CLUB!

Name: \_\_\_\_\_ Section: \_\_\_\_\_

## Welcome to book club!

You will be in a small group. Your teacher will give your group a book to read. You will have plenty of time to read the book, but you must do it for homework.

After you finish the book, do the activities at the back. This will help you understand the book better. Get together with the other students in your group to talk about the book. You **MUST** know the book very well before the assessment day.

On the Book Club assessment day, your teacher will ask your group some questions about the book. This is not a quiz. It's a conversation. You should talk to the other students and ask them questions about the book as well! See the rubric for how you will be assessed.

Ask your teacher if you don't understand the assessment.

Some of the questions you might be asked:

- From the activities section at the back of the book. OR
- What did (didn't) you enjoy about this book? Why?
- What have you read that is similar to this book?
- Who was your favorite character? What did you like about him/her?
- Who did you like the least? Why?
- Have you ever experienced anything similar to the action of this novel?
- Did you find this book quick or easy to read? Why or why not?
- Describe the setting of the book and how did it make the story more interesting? How is it different from the UAE?

If it's non-fiction:

- What did you find surprising about the facts introduced in this book?
- How has reading this book changed your opinion of a certain person or topic?
- How has the book increased your interest in the subject matter?

Your teacher may ask you other questions as well.
