

Level One Adjective List

Here is a list of **75 adjectives**. They are adjectives that we often use. Look at the list. Some of these you know and some of them are new for you. Look at each adjective. If you know an adjective tick (✓) it. If the adjective is new for you, look it up in your English - Arabic dictionary and write the meaning next to the verb. You need to know the meaning and spelling of all these adjectives.
